Description of ash tree to be removed:

Please include any necessary details for Lake SWCD staff to identify this tree (location, proximity to house, etc.)

Select a few of your preferred species for replanting:

Tree species are dependent on availability, but we will try to provide your preferred species.

- Ironwood Northern red oak Kentucky coffeetree Eastern redbud
- Thornless hawthorn Ohio buckeye Northern pin oak American basswood
- Serviceberry Common hackberry American elm (DED resistant)
- American mountain ash
- I do not want a new tree planted.

Do you want to keep the tree’s wood for firewood, mulch, etc?

- Yes No

- I confirm this property is located within Two Harbors or Silver Bay city limits.
- I confirm that I am at or below the area median income for Lake County.

Area Median Income (80%) for Lake County, MN – 2025

Household Size	1	2	3	4	5	6	7	8
Annual household income (pre-tax)	\$56,650	\$64,750	\$72,850	\$80,900	\$87,400	\$93,850	\$100,350	\$106,800

- I will care for my tree according to the USDA Tree Owner’s Manual for as long as it is within my right to do so.

Lake SWCD will provide a 3-year care guide and the USDA Tree Owner’s Manual for your newly planted tree.

- I agree that Lake County Soil and Water Conservation District is not held liable for any damages, losses, injuries, or claims relating to this work. The State of Minnesota is released from any liability associated with the work completed on private property.

Access to my property is granted for all planned activities within the agreement; this may include but is not limited to: tree removal, tree planting, follow-up maintenance, monitoring, or other on-site work. This includes access for Lake SWCD staff and contractors to assess the tree.

In many cases, we will not need to enter your property to look at the tree, but if the tree cannot be seen from public sidewalks or streets, we may need to enter the yard.

By signing below, I confirm that my application submission is complete and accurate to the best of my knowledge.
